

# ***TOMORROW'S TEACHING, TODAY***

**Technology is advancing.  
Computer Science is changing.**

Whether it's an AS/A Level or GCSE (9-1),  
OCR's Computer Science qualifications  
will keep you ahead of the game.

YOUR COURSEWORK  
YOUR EXAMS

Showcase your Computer Science knowledge by preparing your coursework in these simple steps:

Explore this Level of Response framework to be successful in your exams:

**Stakeholders:**

- Anybody involved either directly or indirectly
- How are they affected and to what extent

**Technology Involved:**

- Any technology and how it relates to the problem/topic
- Different technologies that are related
- How the technology works within the context
- Comparisons

**Moral/Social/Cultural/Legal Issues:**

- How the issue relates to any moral, social or cultural context
- What are the legal issues?
- How are the stakeholders affected?
- How does this relate to technology?

**Solutions:**

- Any technological or other solution and how it solves the problem
- Analysis of solution and its effects
- How it all fits together
